Kim –

8:45am PT (11:45am ET) should work on our end. Please look for a calendar invite to come your way with a call-in number and access code for you and Tom.

Brent,

Is it possible to do the call at 8:45 (11:45 eastern)? If so, tomorrow works. Otherwise, we will need to revisit with a date after Sept 3rd.

Thanks,

Kim

Kim –

I spoke with Mike Montgomery who is an Assistant Director in our Water Division and we could do a call **tomorrow on Tuesday, August 26th at 8:30am PT (11:30am ET)** on the California UIC issue. If this works, please let me know the best number to call you at for a conference call. Mike and two other colleagues, David Albright and Michele Dermer would join us for the discussion.

Please let me know if that would work or if you would want to schedule after your return from vacation.
